MOOD:  cheerful

For both *District 9* and *Iron Man II*, it appears to be:

"Blowing stuff up while wearing really sweet power armor is totally morally redemptive. *Totally*."

Thank you

...And there goes the weekend

But hey, we got a day and a half of this one! And I got to sleep in for two whole mornings. Too bad

Ha! :^)

Unless you are The Bad Guy, in which case nothing can substitute for the love of a good cockatoo.

I know that I, personally, would become a much better person if I had totally cool powered armor and got to blow stuff up.

Really, I promise.
